Here's to our Community!

At Cordova Bay we are surrounded by a wonderful community of people who continue to provide support to the school. Donations to classrooms when the teachers callout for craft supplies....volunteers for a beach walk....help with projects....and donations and support for/from our amazing PAC. Without all of you and all that you do, we would not be as successful. So, for today, we'd like to celebrate you and all you do! Thank you community...what you give of your time, and resources is paving a wonderful future for our students!

HEALTH & SAFETY UPDATES

The Provincial Health Office has directed school districts to remind parents of the following information:

- All students should be wearing masks if possible on school buses and in classrooms. Masks are required for Kindergarten - Grade 12. Any requests for mask exemptions should be shared with school administration.

Parents, guardians, students and staff are being reminded to wash your hands regularly and perform a Daily Health Check. You can download the K-12 Health Check App at bc.thrive.health.

Bowling: Set up your bowling “lane” with some painter’s tape and use plastic bottles or cups for pins. Use any type of ball to bowl, attempting to knock down as many pins as possible. Keep track of the score, or simply aim to knock them all down in one turn. Create a plastic cup pyramid to up the fun-factor even more.

Ping Pong Ball Catch: Get out those plastic red Solo cups and a few ping pong balls (or any small object that will fit in the cup) and have your kids toss the ball to a partner and try and catch it in the cup. Start out close together and then keep taking a step backwards to increase the challenge. For a single-player, they can simply throw the ball in the air and try and catch it.

ABC Hunt: Have your kids go around the house with a basket, collecting items that start with each letter of the alphabet (A for apple, B for Barbie, C for Crayola, etc) – give them a checklist to mark off each one as they go. Time them so they run!

Paint Chip Color Hunt: Pick up some brightly colored paint chips from your local hardware store and ask your kids to find items that match each color as closely as possible (again, keep a timer going so they quicken their pace). Don’t have Paint Chips? Use colored construction paper instead!
