

# CORDOVA BAY PAC NEWS

## THANK YOU - OUR BOTTLE DRIVE WAS A SUCCESS

On Saturday, our amazing community (parents, students and grand parents) worked steadfastly sorting recyclables at this year's first bottle drive. Thank you to all the volunteers who made our bottle drive a success!

Also, thank you to all the families that stopped by with your bottle donations. It was obvious by the volume of some of the donations that many families have been stockpiling recyclables over the summer.

Closing up shop. The Bottle Depot came to count out and load the truck.

---

## Thanks to all the families who helped out, your support is part of what makes our school so great!

---

We collected and sorted juice boxes, bottles, and cans and earned **\$760** for our school. Money raised goes to the students and the Growing Young Farmers program. Participation with this program costs \$400 per class.

Please continue to save and collect refundables from friends, family and neighbours as our next bottle drive is scheduled for **Saturday January 13th, 9 AM to 1 PM.**

At the end of the day all the recyclable material added up to \$760 for our school.

## OPEN HOUSE AND WELCOME BACK BBQ

Our school Open House (5 to 6:15 PM) and Welcome Back BBQ (5:30 to 7:30) is scheduled for **Thursday September 28th.** The Red Barn Market will cater the Welcome Back BBQ (5:30-7:30pm). Come with your family and enjoy a burger (beef, chicken or veggie) or hot dog for dinner and socialize with your school community!

On behalf of Cordova Bay PAC Executive, we wish all Cordova Bay families a fantastic school year ahead!
