

June 13, 2019

Dear Gr 5 Parents/Guardians,

As you are aware, students at Cordova Bay are very fortunate to participate in a wide variety of activities, from K-5, with volunteer members of the Cordova Bay 55+ Centre. These activities include:

- Cooking Class
- Knitting
- Lego Club
- Beading
- Math Club
- Reading with a 55+ member
- Photography
- Singing
- Pickleball
- Arts and Crafts
- And much, much more...

In order to celebrate the incredible volunteer hours that our 55+ volunteers have spent with your child, I would like to start a new tradition at Cordova Bay. To do so, I am asking for Grade 5 family support. On Wednesday, June 26, the Grade 5 student body will be sharing some words of thanks with the 55+ members, along with student made cards and snacks, coffee and tea between 10:00 and 11:00 in the 55+ Centre. If you are able to provide a small plate of baked items or fruit to support this event, this would be very much appreciated.

Thank you, in advance, for any contributions you can make to this celebration. All donations can be dropped off the morning of Wednesday, June 26. We will have a designated table in the 55+ for the plates of goodies. Please label your plate/dish and we will make sure that it is returned to you by the end of the day.

Sincerely,

Mrs. ML Heron

Principal
