

2019-2020 CORDOVA BAY PAC ELECTRONIC COMMUNICATION CONSENT FORM

What is the Cordova Bay Parent Advisory Council (PAC)?

Cordova Bay PAC is a volunteer organization comprised of parent volunteers. The purpose of the PAC is to aid our school community with support for educational and recreational needs; and to encourage Cordova Bay school spirit.

Why is consent for PAC Electronic Communication necessary?

Throughout the year PAC sends out important information about school events, guest speakers, fundraising activities, hot lunches and PAC highlights. In order to communicate these happenings to families, we require each year "consent" from parents/caregivers agreeing to be on the PAC communication email list. Being part of these communications ensures you will be informed about what is going on.

How does the PAC communicate with families?

The majority of communication is by monthly emails that may include newsletters, reminders, sign-up forums or announcements. The Class Representatives (volunteers for each classroom) will also email families on classroom/school happenings. Additionally, PAC News can be read in the School's Weekly Emailed Communications.

By checking the box below, you give consent to receive email communications from either the PAC or Classroom Representatives. Emails remain confidential and will only be used to communicate PAC/School Information.

Yes, I agree to receive PAC email communications for 2019-2020

**If you consent to receive PAC communications, please provide the following information.
(PRINT CLEARLY)**

CHILD'S NAME	GRADE	TEACHER
